## INTRODUCTION

---

This Employee Handbook is for informational purposes for members of the LaGuardia staff holding Civil Services titles. The Handbook is intended to give employees an overview of the personnel policies, procedures and guidelines by which we work. They are based upon collective bargaining agreements, CUNY Board of Trustees Bylaws, and the CUNY Civil Service Rules and Regulations. It describes conditions of employment, services of the Human Resources Department, benefits, training opportunities, and campus facilities and services.

Most of the information in this Handbook is summarized for general guidance and may not cover every item which may be of interest to you. It is designed to answer many of your questions about the practice and policies of LaGuardia Community College, what you can expect from LaGuardia and what LaGuardia expects from you. Your immediate supervisor will be happy to help you in those areas in which you may have questions. If you still have questions, please call the Human Resources Department at (718) 482-5075.

We hope you will read this Handbook carefully and retain it at your work station for future reference. Periodically, you will receive updated material for the Handbook. Please place them in your Handbook to keep them current.

Your first responsibility is to know your own duties and how to execute them effectively, efficiently and pleasantly. Secondly, you are expected to cooperate with management and your fellow employees and maintain a good team attitude. How you interact with fellow employees and those whom LaGuardia Community College serves, and how you accept direction can affect the success of your department. In turn, the performance of one department can impact the entire service offered by LaGuardia Community College. Consequently, whatever your position, you have an important assignment: perform every task to the very best of your ability. The result will be better performance for the College overall and personal satisfaction for you.

We strongly believe you should have the right to make your own choices in matters that concern and control your life. We believe in direct access to administration, and we are dedicated to making LaGuardia a place of employment where you can approach your supervisor, or any member of administration, to discuss any problem or question. We encourage you to voice your opinions and contribute your suggestions to improve the quality of work life at LaGuardia.

This handbook is intended to provide guidance to employees in the title of Classified Staff. Moreover, it does not create any rights or privileges on the part of any other or substitute any provisions contained in the White and Blue Collar Agreement applicable to the title Classified Staff.

---

Fiorello H. LaGuardia is one of 23 undergraduate colleges of the City University of New York. Since admitting its first group of students in 1975, the College has continually supported the principles of open access and equal opportunity for all. Today the College has grown to over 17,000 full time students, and 38,000 continuing education students. Located at a transit hub that links Queens, the most ethnically diverse borough, with the world center of finance, commerce and the arts, the College provides access to higher education and serves New Yorkers of all backgrounds, ages and means.

The College, through an array of academic disciplines, serves students in both associate degree and certificate programs. The College's 56 degree programs, 4 certificate programs, and nationally renowned Internship Program meet the needs of all students, whether they plan to continue study toward the baccalaureate degree at a four-year college or are seeking to immediately embark on a career.

LaGuardia Community College is unique in the sense that the College operates on a different schedule from almost all other CUNY schools. The College has an enhanced semester calendar that contains a 12 week session followed by a mini 6 week session. Complete courses are offered in each session. The 12 week sessions are the Fall I and the Spring I session and the 6 week sessions are the Fall II and Spring II session. Classes run for 60 minute periods over the 12 week session and double to 120 minutes in the 6 week session.

The College is spread over four buildings on Thomson Avenue: 'M' or Joseph Shenker Hall; 'B' Building; 'E' Building; 'C' Building.

A map of the campus is available on the webpage under admissions and directions to the campus.

The employee must serve a one year probationary period and is evaluated by his/her supervisor(s). During this period of initial employment, each employee is to receive supervision, instruction, review of work, and any other guidance that is supportive of the employee’s opportunity for success on the job. If, during this period, your work habits, attitude, attendance or performance are not satisfactory, you will fail your probation and your appointment may be terminated. Formal written performance evaluations are to be completed, during the probationary period, quarterly, and thereafter at least once a year to evaluate performance, attendance and work habits.

Following satisfactory completion of the probationary period, the employee is granted permanent status. When an employee obtains permanent status he/she will be eligible for the following considerations:

- Leave of Absence
- Seniority
- Disciplinary Process

### **PROVISIONAL APPOINTMENT**

Contact the Human Resource Department to complete the CUNY Request for Placement on Transfer Roster form. (See White Collar Contract, XVIII, Section 1).

## **EMPLOYMENT POLICIES**

---

The evaluation should be signed by both the supervisor and the employee. A completed, signed, and dated copy will then be submitted to the Human Resources

Department for placement in the employee's Human Resources file. Please keep in mind that your signature indicates that you have reviewed and received a copy of your evaluation, not necessarily that you agree with the statements made. If you have a rebuttal, you may submit it in writing to the Human Resources Department and have it attached to the evaluation submitted by your supervisor (A copy of Annual Evaluation form is available on the HR Website).

The hours for obtaining your LaGuardia Community College picture identification card are as follows:

## **PROGRESSIVE DISCIPLINE POLICY**

---

The intent of this policy is to openly communicate the college standards of conduct, performance and attendance, particularly conduct considered undesirable, to all employees as a means of avoiding their occurrence. LaGuardia Community College believes that such policies and procedures are necessary for the orderly operation of our business, and for the protection and fair treatment of all employees. Employees are therefore urged to use reasonable judgment at all times, and to seek supervisory advice in any doubtful situation.

To insure the equitable processing of disciplinary actions, the Director of Human Resources will be responsible for the proper handling of such matters, including the assurance that employee rights are protected, and that appropriate action is taken when circumstances warrant. Supervisory personnel should therefore consult with the Director of Human Resources prior to the implementation of discipline. The employee has the right to have Union representation at any level of the progressive discipline process.

As a matter of policy, LaGuardia seeks to resolve conduct, performance and attendance problems in the most informal and positive manner possible, through counseling, additional training, evaluation and supervision. However, under those circumstances when disciplinary action, up to and including termination, becomes a necessary means of modifying undesirable situations, the College has established the conditions and procedures that follow.

Generally, it is expected of each employee to act in a mature and responsible way at all times. However, to avoid any possible confusion, some of the more obvious unacceptable activities are noted below. Your avoidance of these activities will be to your benefit as well as the benefit of LaGuardia. If you have any questions concerning any work or safety rule, or any of the unacceptable activities listed, please see your supervisor for an explanation.

Occurrences of any of the following violations, as well as violations of any LaGuardia Policies and Procedures, CUNY Personnel Rules and Regulations, CUNY Bylaws and Collective Bargaining Agreements, may be subject to disciplinary action. This list is not all-inclusive and may be revised by management.

## **DISCIPLINARY ACTIONS**

Unacceptable behavior, i.e., misconduct and/or incompetence, will be dealt with in the following manner:

- 1<sup>st</sup> infraction – Verbal Counseling Session
- 2<sup>nd</sup> infraction – Verbal Warning
- 3<sup>rd</sup> infraction – Written Warning

In exceptional situations requiring immediate action, such as, but not necessarily limited to, those involving potential injury to persons or property or unreasonable disruption of College operations, an employee may be immediately suspended without pay by the Director of Human Resources for a period up to thirty (30) work days. This supersedes the three (3) step process outlined above.

If behavior has not improved or continues to be unacceptable, the immediate supervisor will meet with the Department Head to recommend formal charges be preferred against the employee after investigation and consultation with the Human Resources Department.

A Step I Disciplinary Hearing will be scheduled by the Human Resources Department if formal charges are warranted. The employee will be formally, and timely, notified in writing of the charges, specifications and possible penalties, within ten (10) days indicating the date, time and place for the first step hearing at the college. An informational copy will be sent to the respective Union. The employee has the right to Union and/or legal representation at the hearing.

After the Step I Hearing, the Hearing Officer will issue a written decision with regard to the charges and shall state the disciplinary penalty, if any, within seven (7) working days of the hearing. The College may implement a penalty other than termination immediately. The decision may be accepted by the employee or appealed for a Step II Hearing within ten (10) days of the receipt of the Step I Decision.

If found guilty of formal charges, the form of discipline shall include, but not be limited to:

- A written reprimand
- A fine not to exceed \$200
- A demotion in title
- A suspension without pay for up to sixty (60) work days
- Termination of service

(White Collar Contract, Article XXIX)

## **WORK HOURS, ATTENDANCE AND TIMEKEEPING**

---

### **WORK HOURS**

Regular business hours for most employees are from 9 a.m. to 5 p.m., Monday through Friday. Your particular hours of work and the scheduling of your meal break, will be determined and assigned by your supervisor or department head, based on your title and the needs of the College.

Please understand that you may not “work through your meal break” if you arrive late, leave early or work extra time.

Starting time is the time scheduled by the supervisor with the approval of Human Resources Director. Any change in this schedule requires the prior written approval of the Director of Human Resources.

Work days and shifts are assigned to meet College needs and may be reassigned by the College. The normal work week for full-time White Collar titles is 35 hours. Blue Collar titles are assigned a 40 hour work week.

Time sheets must be maintained on a daily basis and submitted on a bi-weekly basis. The practice of completing time sheets at the end of the work week or having a co-worker make the entry is **prohibited**. Time sheets are official College documents and the basis for salary payments. **ANY** falsification of a time sheet is cause for disciplinary action and possible termination of employment.

### **FALSIFICATION OF LEAVE RECORDS**

Any employee who knowingly falsifies time and leave records shall be subject to disciplinary action, including dismissal for cause. Any supervisor who knowingly approves a falsified time and leave record shall be subject to disciplinary action, including dismissal for cause.

### **COFFEE BREAK**

One break per day of not more than 15 minutes is authorized for CUNY Office Assistant and CUNY Administrative Assistant only. “Coffee breaks” may **NOT** be accumulated, added to your lunch hour, or taken at the end of the day for the purpose of leaving early. Breaks are scheduled by the Supervisor.

## LEAVES OF ABSENCE

---

Except as provided in Section 6.2.1 or in policy issuance by the Vice Chancellor, full or part-time unpaid leaves of absence for permanent employees may be granted for an aggregate of no more than one year by the College Appointing Officer. An aggregate of an additional year may be granted by the President of the College. Additional leave requires approval by the Vice Chancellor, upon submission by the College of satisfactory evidence that such an extension of leave status would be in the interest of the University.

Time spent in an unpaid leave status shall not count toward eligibility for additional leave credits. Eligibility for unpaid leaves of absence may be reestablished by continuous full-time service of not less than six months. Leaves for probationary and provisional employees are limited to maternity/child care leaves, military leaves and other legally mandated leaves, under guidelines to be issued by the Vice Chancellor.

An employee who requests a leave of absence without pay, must sign a statement, each year, to the effect that he/she understands the impact this leave will have on his/her benefits. These provisions do not apply to unpaid leaves of absence when taken for child-care, or leaves to accept a position in a different university title.

Authorized leaves of absence without pay will be permitted under special circumstances in order to facilitate the recovery and/or return to duty, if a position is available and offered, or provisional employees affected by personal illness or disability.

A provisional employee who meets the following requirements shall be permitted a leave of absence without pay (not to exceed 4 months within any 12-month period) resulting in the continuation of health insurance benefits coverage during a period of personal illness or disability of the employee.

**Requirements:**

- a) The documentation is satisfactory to the Director of Human Resources that the personal illness or disability of the employee warrants a leave of absence, and
- b) The employee has rendered at least two years of continuous CUNY service in a full-time title, and
- c) The employee has received a performance rating of at least satisfactory resulting from an evaluation conducted within the previous twelve months, and
- d) The employee has exhausted all other available leave accruals (sick, annual, compensatory time, etc.).

In extraordinary circumstances, leaves of absence without pay for other purposes may be permitted, subject to the prior approval of the Vice Chancellor for Faculty and Staff Relations.

Upon determination by the Director of Human Resources that all of the requirements are met, the employee shall be permitted a leave of absence without pay. Such leave of absence shall initially be for a period not to exceed two (2) months; if necessary, the leave of absence may be renewed thereafter for an additional period not to exceed two (2) additional months.

### **LEAVE TO SERVE IN ANOTHER POSITION (UNPAID)**

- a) When a permanent classified employee accepts a position within the instructional staff at a different college, the employee shall be placed on a leave of absence from his/her prior permanent position by the sending college for a minimum of three months but not more than 1 year. At the end of the designated leave period, the employee's leave status shall be transferred with all rights to the receiving college.
- b) When a permanent classified employee accepts a provisional promotion at a different college, the sending college shall transfer the employee with all rights to the receiving college where the employee shall be placed on a leave of absence from his/her permanent title.
- c) When a permanent classified employee is selected from a civil service list for a different title by a different college, the employee shall be given a one year leave of absence from the sending college. All rights shall be transferred along with the employee at the end of one year.

The awarding of tenure or the granting of an appointment that is not subject to annual or multiple-year reappointments in an instructional staff position shall result in the cancellation of leave status in the civil service position. The awarding of permanent status in a civil service position shall cancel the leave status from a different civil service position. No notification is required.

Buildings & Grounds and Security Staff members are required to report to work, since they are considered emergency employees. Their attendance is essential during emergency situations. Those employees who do not report to work will have deductions made from either their salary or leave balance.

If only a portion of the campus is closed, all employees should report to work and they will be assigned to perform their duties in facilities and offices that are open at the college. Your department head/chairperson will inform you beforehand as to where to report if such an incident occurs.
