

TELC 7.2

Name:

Storyboard

Now that you have the story structure ready, you can begin to create a storyboard. Write some very brief notes about what you want to say (text) and show (visual) in each slide. When you have finished, you can save it in digital drop box, send it to your e-mail, or save it to a floppy.

Slide 1 Text: Visual:	Slide 2 Text: Visual:
Slide 3 Text: Visual:	Slide 4 Text: Visual:
Slide 5 Text: Visual:	Slide 6 Text: Visual:
Slide 7 Text: Visual:	Slide 8 Text: Visual:
