Put Your Healthcare Career on the Fast Track

Certified Clinical Medical Assistant

Become certified as a Phlebotomist and EKG Technician, and learn CPR, First Aid, Medical Assistant Procedures and Medical Terminology to become a Certified Clinical Medical Assistant (CCMA).

The CCMA is an important member of a medical team who assists the physician with procedures such as:
- taking vital signs
- preparing patients for medical procedures
- performing phlebotomy (blood drawing)
- and electrocardiography (EKG)

Upon successfully passing all five courses in this program, in any order, you will be prepared to take the national certification exam for Clinical Medical Assistant.

If you have previous training, you may take competency exams to be exempt from certain program courses.

Courses

- Medical Terminology
- EKG Technician
- Phlebotomy
- American Heart Association CPR for Healthcare Providers with First Aid
- CCMA Procedures
  Courses may be taken individually.

Requirements

- 18 years of age
- English proficiency
- High school diploma or G.E.D.
  (or passing an English and reading comprehension pre-test)

For more information or for a registration form call (718)482-5768 or email sstepinski@lagcc.cuny.edu.

These courses are eligible for Veterans Tuition Assistance. Call (718) 482-7244 or email acreg@lagcc.cuny.edu.
