Ladies, here’s a chance to tell Your Story!

The Veterans Upward Bound Program Invites all Women connected to the Military (Veterans, Active Duty, Guard Reserve, Family and Friends) to a 6 week writing workshop.

Tuesday nights at 6:00 pm in room C-337
Your story will be part of a performance on Tuesday, May 3rd at 6pm at the Poolside Café.

Come and join Project Voice: (Her) Voice to share your story and experience about being in the military or having family in the military. Learn to express your voice and develop new ways to share what you see, feel, and think. Hear from other female veterans and family members about their experiences in order to form new friendships and support for what you may be experiencing or have experienced in your or your family member’s time in the military.

The 6-week program will teach you how to transfer your feelings onto paper and will culminate with a reading of our edited work in a performance during LAGCC’s Week to Honor Veterans on May 3rd.

To Register or for more information about (Her) Voice, please visit C-371 or Call 718-482-5231
