

## Center for Counseling, Advising and Academic Support

### DO YOU KNOW WHO YOUR ADVISOR IS?

Advisement for all students with less than 30 credits and/or basic skills requirements is mandatory at LaGuardia Community College. All students are assigned advisors depending on such things as their enrollment in special programs and/or how many credits they have earned. If you are not in a special program, most likely you will have an opportunity to work with more than one advisor while you pursue your degree. To locate your current advisor, simply log onto DegreeWorks:

[www.laguardia.edu/DegreeWorks](http://www.laguardia.edu/DegreeWorks)

- ❖ Click on “View Audit”
- ❖ Look at the right side of the top box (entitled “Detailed Advice”). There, you will see the designation “Advisor,” which shows you the name and location of your advisor
