## NEW TUITION CHARGES EFFECTIVE FALL 2009

On May 27 the CUNY Board of Trustees announced a tuition increase for all CUNY colleges effective for Fall 2009. Tuition for senior colleges will increase 15% - \$300 per semester. Tuition charges for community colleges will rise 12.5% - \$175 per semester. The tuition rate increase is the same part-time study as well. No increase was made in the associate fees.

After registering or adding classes, a student will have a tuition bill. The tuition bill must be paid prior to the 1<sup>st</sup> day of classes in order for a student to be considered enrolled. Students who do not settle their tuition bill by the established due date, will have their registration cancelled the day after the due date.
