Register in CUNY First for "Intent to Graduate" (GRDOOO) in your final semester

Your initial English and Math courses are based on placement exams. Please see reverse side if you placed into developmental English or Math.

INFO

CREDITS & HOURS

Courses often meet for the same hours per week as academic credits awarded, but in some cases your classes meet for more hours, listed here when applicable.

PRIORITY COURSES

Priority courses are designed to be taken at specific points in your studies and should be prioritized when scheduling your classes.

SESSION I & II

Each semester has two parts, Session I (12-weeks) and Session II (6-weeks). It is recommended that you take 15 credits per semester for timely graduation. For questions regarding financial aid or tuition and fees, please visit Student Financial Services in C-107.

DEGREE FULFILLMENT

The Therapeutic Recreation major leads to an Associate of Science degree. It is recommended that you take both Pathways (RC & FC) and Program Core (PC) each semester.
