Early Childhood Learning Center Emergency Evacuation Procedures

Emergency Procedures for M-169 Classroom

Evacuation Route #1

Place all babies in Buggy. Remaining toddlers should be paired up with adult caregivers / adult volunteers. Exit the classroom through the M-169 classroom doors and proceed to the left down the corridor. At the end of the corridor, make a right and exit the building through the main doors. Assemble all children in front of the Main building and take a head count.

Evacuation Route #2

Place all babies in Buggy. Remaining toddlers should be paired up with adult caregivers / adult volunteers. Exit the classroom through the playground exit doors. Proceed to the gate and walk down the stairs to MB – 51 playground. Enter the playground and proceed through the red emergency doors. Follow the corridor to your left to exit the building. Assemble the children on the sidewalk of 47th Avenue and take a head count.

Remember, For All Fire Drills and Evacuations Bring Attendance Book and Emergency Contact Sheet

Early Childhood Learning Center Emergency Evacuation Procedures

Emergency Procedures for MB-51 Classroom

Evacuation Route #1:

Assemble all children. Each child should have a partner. Proceed through the playground doors to the red emergency doors. Follow the corridor to your left to exit the building. Assemble the children on the sidewalk of 47th Avenue and take a head count.

Evacuation Route #2:

Assemble all children. Each child should have a partner. Proceed through the classroom door to your right and down the corridor. At the end of the corridor, make a right and go through the swinging doors. Proceed up the stairs that will be on your left. Proceed down the corridor and out of the "E" building onto Van Dam Street. Assemble the children on the sidewalk and take a head count.

Remember, For All Fire Drills and Evacuations Bring Attendance Book and Emergency Contact Sheet

Early Childhood Learning Center Emergency Evacuation Procedures
